

Notions for Press as You Go and Pin-less Piecing Presentation

The following is a list of books, notions and supplies we recommend. You can find them at your Local Quilt Shop.

Easy Precision Piecing - C&T Publications Author Shelley Scott-Tobisch

You and Your Sewing Machine - C&T Publications Author Bernie Tobisch

Sewing Machine Reference Tool - C&T Publications Author Bernie Tobisch

Creative Grids Itty Bitty Eights rulers - 5" x 15", 3" x 7" and 6" x 6" I use these rulers pretty much exclusively and will be demonstrating with them.

Quilters Select, OLFA and/or Omnigrd 6" x 12", 6" x 24", 6" x 6"

You don't have to ditch your favourite ruler. I will also demonstrate how to work with Quilters Select, Omnigrd and OLFA. I will show you what lines to use for cutting and where to line up the fabric consistently, for best results.

Quilter's Magic Wand for HSTs - I love this ruler for marking lines on fabric for HSTs

Organ needles HLX5 Hard chrome needles - 70/10 or 80/12. These are my favourite needles for piecing. If you can't find the above needles I also recommend Microtex 70/10 or 80/12.

Be Creative 5mm Double-sided tape for cutting HSTs. This tape is used by scrapbookers often called Sookwang Double-sided tape as that is what is printed on the tape and the core.

Tear-Perfect Maker Tape by C&T. I love this tape and will be demonstrating how to use it to keep rulers from slipping and turn rulers into accurate HST cutting instruments.

Acorn Products

Seam Align Glue - Used for instead of pins for accurate Pin-Less Piecing.

Easy Press Pen - Used with Easy Press Fabric Treatment for accurate, flat seams for Press as You Go.

Easy Press Fabric Treatment - Treat your fabric with Easy Press Fabric Treatment instead of starch.

Starter Kit includes 1oz. Seam Align Glue, Easy Press Pen and 4oz. Easy Press Fabric Treatment. This is the perfect kit for getting started with Acorn Products and the Easy Precision Piecing system.

Easy Press Fabric Treatment is now available in 16oz and gallon sizes! You can purchase a combi-kit with 16oz. bottle and continuous mist spray bottle.

Block Builder Bases. Block Builder Bases are used to hold the Quilt Block Builder. These valuable tools help keep your block organized while you sew. The Quilt Block Builder has all the information you need at a glance for pressing and piecing. They are available in sizes 9" x 9" and 12" x 12". I recommend the 12" x 12" for the Muskrat Hollow block. For more information watch The Quilt Show episode 2506 <https://www.youtube.com/watch?v=v2dPJqY7vHE> or visit <https://www.youtube.com/watch?v=7KTqnEL81JE&t=104s>

Thread - I recommend 50/2 DMC or Aurifil, 100% cotton for piecing.
